

How It Works

Chemical Guys Citrus Wash & Gloss combines natural citrus cleaning power with synthetic shine agents for an unforgettable car washing experience! This fan-favorite detailing shampoo is loved for its tough cleaning power and ability to make any vehicle look like it was just waxed and detailed. Citrus Wash & Gloss is a hyper-concentrated wash shampoo and gloss enhancer formulated to bring out a vibrant shine on any paint color. Natural citrus cleaners break down abrasive dirt, filth, and grime, lift it from the surface, then lubricate it to protect the paintwork against swirls and scratches. The versatile formula can be used for regular maintenance car washes every week in any bucket wash method or foam cannon without stripping any wax or sealant from the vehicle. Use just 1 ounce of the concentrated wash soap in your 5 gallon car wash bucket to create mountains of slick cleansing suds, or 1 ounce in your 32 ounce foam gun or foam cannon bottle to spray thick foamy suds to protect against car wash swirls and scratches. Choose Citrus Wash & Gloss for slick cleaning action and intense glossy shine after every car wash!

Natural Citrus Cleaning Power

Intense dirt, grime, and debris ruin the shine of any car. Take them down with the all-natural citrus cleaners of Citrus Wash & Gloss. Natural citrus cleansers are the perfect way to remove tough dirt and debris from paintwork without harming the surface or environment. Chemical Guys Citrus Wash & Gloss is formulated to pull off the toughest dirt, dust, grease, and road grime from your vehicle for the fastest and easiest weekly car wash routine. The citrus extracts blended into the advanced wash formula helps release dirt and grime from the surface to safely clean your car for a streak-free shine. The powerful cleaners help penetrate deep into cracks and crevices of your vehicle to remove the hard-to-reach dirt and grime that is often missed during car washes. Easily wash all exterior car parts with Citrus Wash & Gloss, including paintwork, metal, wheels and rims, tires, undercarriage parts, exhaust tips, and more! Chemical Guys Citrus Wash & Gloss is perfect for the toughest detailing situations where you need to remove heavy dirt, grime, mud, and road filth. Take Mother Nature's helping hand with the all natural cleaning power of Citrus Wash & Gloss.

Ultra High Foaming Capabilities

Everyone loves foaming car wash suds! Chemical Guys Citrus Wash & Gloss is formulated to create luscious foaming suds with any foam gun or foam cannon. The thick wash bubbles created by Citrus Wash & Gloss help reduce swirl marks and scratches by surrounding every individual dirt particle so it can be safely rinsed clean for a scratch-free shine. The ultra thick foam sinks deep into the smallest hard-to-reach parts of your vehicle to safely and gently remove dirt and debris that is never cleaned. The high-foaming formula creates a wash solution so slick that your mitt will effortlessly glide over the surface. Over 95% of swirl marks and scratches are caused from improper washing and drying, but Chemical Guys Citrus Wash & Gloss uses slick lubricants and high-foaming agents to reduce the chances of damaging any paintwork.

Unique Gloss Enhancing Formula

Bring the shine back to your car with every wash! Chemical Guys Citrus Wash & Gloss is formulated to enhance the brightest shine on any color paintwork. The unique gloss-enhancing formula coats the surface to create a layer of shine that commands attention. The all-natural gloss agent restores that "just waxed" look with at every weekly wash! After a car wash with Citrus Wash & Gloss, yellows radiate like bright sunlight, silvers sparkle with brilliance, blacks glow with depth and clarity, and whites shimmer with pure shine. Chemical Guys develops advanced detailing solutions to take shine to the next level, and just one wash with Citrus Wash & Gloss will inspire you to change the way you detail your car forever. Show the world how amazing your car, truck, or RV really is with just one wash with Citrus Wash & Gloss.

Help Prevent Swirls And Scratches

When it comes time to remove standing water from your paintwork, use After Wash to speed up the drying process and protect the paint against swirls and scratches. Over 95% of swirls and scratches come from poor wash and drying habits, but the advanced lubricants and gloss enhancers in After Wash help any premium microfiber towel glide over paintwork with a slick scratch-free touch. After Wash is available in [4 ounce](#), [16 ounce](#), and [gallon](#) sizes.

Looking To Strip Off Any Wax And Sealant?

If you're looking for a car wash soap that pulls off any old layers of wax or sealant as you prepare for a full detail, check out [Clean Slate Surface Cleanser Wash!](#) The specialty shampoo strips off any waxy coatings to prepare the surface for superior detailing work with a detailing clay bar or machine polisher.

Other Sizes Available

Citrus Wash & Gloss Concentrated Car Wash is available in [4 ounce](#), [16 ounce](#), and [1 gallon](#) sizes.

How To Use:
Always start by washing the tires and wheels first.
Do not use the same wash water, bucket, cleaning tools, or drying towels on your car's paint as you do on your tires and wheels. Use a separate tools and products.
Shake well.

For regular maintenance car washes:
Mix 1 ounce of Citrus Wash & Gloss Car Wash Soap with 5 gallons of water in a clean wash bucket. To use with a foam gun/foam cannon, mix 1 ounce of Citrus Wash & Gloss Soap with clean water in the solution bottle of your foam gun/foam cannon.
Rinse the vehicle with water to remove loose grit and surface dirt.
Start washing from the top down with a premium wash mitt, and rinse the mitt in a second plain water bucket often to remove washed-off dirt and debris for a scratch-free wash.
Use a final rinse of free-flowing water (nozzle off the hose) allowing the water to sheet off the car.

Caution - manufactured for professionals. Keep out of reach of children. If first aid is required while using this product see the product label for further instructions and contact a physician immediately.
