

How It Works

Wrap Detailer cleans and protects glossy vinyl wraps, shiny printed graphics, and clear bra protection films on all vehicles. The synthetic detailer safely removes dirt, dust, road grime, and bird droppings without causing any scratches or swirls on the surface. Wrap Detailer is blended with spray sealant technology to protect shiny vinyl wraps and graphics on all vehicles. UV solar blockers prevent vinyl wraps and graphic designs from fading, and help prevent yellowing and discoloration on clear bras. Harsh weather conditions can cause premature wear on all stick-on wraps and graphics. The sprayable detailer conditions and protects the surface to prolong the life of vinyl car wraps, clear protection films, and printed graphic kits. Wrap Detailer safely removes dirt and debris from custom wraps and graphics without causing swirls or scratches. Custom vehicle wraps are sensitive surfaces that require special care and attention. UV solar rays, water spots, road grime, and contamination can stain and ruin wrapped surfaces. Wrap Detailer is designed to maintain and condition the surfaces while protecting vinyl wraps and graphic kits from stains, swirl marks, and aging. Simply spray and wipe dirt away for a brilliant shine. Works great on OEM and aftermarket vinyl graphics on all vehicles. Wrap Detailer is the perfect choice to clean, shine, and protect all vinyl wrapped surfaces and graphics.

Designed For Clear Bras, Vinyl Wraps, And Printed Graphics

Wrap Detailer is designed to clean, shine, and protect glossy vinyl wraps, clear bras, and printed graphics. Vinyl wraps are the newest trend to completely transform the appearance of any vehicle. Simply wrapping a vehicle in a custom color can instantly change the appearance and style, while clear protection films shield paintwork from rock chips and hard insect splatters. Custom wraps and graphics look great at first, but harsh weather and driving conditions can destroy their appearance over time. Without proper care, vinyl wraps and clear bras will stain and discolor, and make the vehicle appear neglected. Vinyl wraps and graphics require special detailing products to maintain and protect their appearance over time. Wrap Detailer is designed to protect and maintain custom clear bras, vinyl wraps, and graphics. The advanced synthetic detailer is formulated to clean, shine, and protect vinyl wraps for a fresh look over the life of the covering. The innovative Wrap Detailer easily cleans away dirt, dust, road grime, bird droppings, road tar, and light stains that accumulate while driving on the road. The sprayable detailer safely lifts dirt and debris off vinyl wrapped surfaces without causing swirls or scratches. Wrap Detailer is perfect for cleaning and protecting OEM and aftermarket films, wraps, and graphics on all vehicles. Regular maintenance with Chemical Guys Wrap Detailer will make any wrap a show winner!

Maintain And Protect

Proper detailing and care can keep any car looking great for years. Chemical Guys formulates premium products that produce superior results. Using quality products ensures the best chances for any vehicle to stay looking like new for years to come. Wrap Detailer easily cleans, shines, and protects OEM and aftermarket clear bra films, glossy vinyl wraps, and printed graphics and stripes from harsh weather and driving conditions. Vinyl vehicle wraps and graphics can stain and discolor from water spots, bird droppings, road filth, and harsh UV solar rays. Wrap Detailer is formulated with spray sealant technology to protect vinyl-wrapped surfaces and graphics from premature aging. Advanced sealant protects against stains, moisture, and road grime that destroys vinyl wraps over time. Sealant technology blocks harmful UV solar rays from fading and discoloring vinyl wraps and decals. If left unprotected, UV solar rays can cause permanent damage to vinyl wraps and graphics. Easily clean and protect vinyl wraps and graphics with Chemical Guys Wrap Detailer.

Quality Results

Chemical Guys manufactures quality detailing products for enthusiasts and professional detailers around the world. Today's advanced automobiles need advanced car care products to keep their shine looking great all year round. Wrap Detailer will keep any custom wrapped vehicle in premium condition through all seasons. Quickly clean, shine, and protect vinyl wrapped vehicles with one easy-to-use product. Wrap Detailer is the one detailing solution for all gloss vinyl wrap and decal detailing needs. Simply spray on the surface and wipe away dirt and road filth anywhere, any time. Keep a bottle in the trunk for quick detailing on the go. It's fast, easy, and effective! Wrap Detailer will keep glossy vinyl wraps and graphics looking great!
