

DR_x Beasley's™

Your Detailing Prescription

- 1.** Spray Glass IQ on your windshield, mirror, cellphone, LCD screen, or other technological display.
- 2.** Wipe the product off with a clean, soft, tagless microfiber towel.
- 3.** Reapply as needed to restore protective properties.

* In areas where overspray may occur, spray Glass IQ on the towel first and then wipe it onto the surface. Wipe it off with a separate towel.*

Bring your life with Dr Beasleys products.
