

DR_x Beasley's™

Your Detailing Prescription

Instructions

1. Spray on to contaminated area.
2. Let sit for 1-2 minutes, then wipe down with a clean microfiber towel.
3. If contaminate remains, several applications/more dwell time may be necessary.

Additional Information

Do not allow product to dry on surface.

Do not allow product to freeze.

Before applying, test a small amount in an inconspicuous place to check compatibility with surface. Do not scrub or use unnecessary pressure when wiping down.

Product can remove ceramic coatings.

If applied to a surface coated with Matte Paint Coating, rinse and reapply coating after use.
