

STOP!

*Is your Polaris ATV a 2009 or newer XP 550 or XP 850? If so, you will need to substitute the parts included in the attached upgrade package, which includes a larger diameter stainless steel pivot screw, a 3/16" allen wrench and a larger stainless steel adapter plate. **To install the GOLDFINGER on your '09 or newer XP 550/850 ATV, follow Part Two in the general instructions using the parts in this package.***
